

## LET US SAVE UP TO 2000 PEOPLE'S HEALTH INSURANCE IN RWANDA 2022-2023

*Dear Friends,*

We have a heartfelt story to share with you today, one that exemplifies the power of compassion and the transformative impact it can have on lives. Meet **Chantal Mukeshimana**, a hardworking mother of nine children who sells fruits in our local market. Despite their determination, Chantal and her husband, both earning meager incomes as casual workers, have always struggled to provide medical insurance for their children.

Last year, thanks to the support of **Rabagirana Ministries** and individuals like yourselves, Chantal's family received the invaluable gift of Mutuelle de santé coverage. This changed everything for them. Grateful beyond words, Chantal said, "I thank God for Rabagirana Ministries, for now all my kids can go to the hospital for treatment."

As Christians, we are called to care for the poor and extend a helping hand to those in need. **Proverbs 19:17** reminds us that by being kind to the poor, we lend to the Lord and will be rewarded. Our faith compels us to embody these teachings and demonstrate love and compassion towards our neighbours.

Now, we invite you to join us in making an even greater impact. By donating any amount starting from 500/1000/2000 Rwandan francs (RWF), you can help us provide access to affordable medical care for more community members in need. Your contribution will alleviate the financial burden that prevents families like Chantal's from receiving the essential healthcare they require.

Together, let us extend our hands in solidarity and create positive change. To make a secure donation if you're in Rwanda, use the Rabagirana Momo Code at **[182\*8\*1\*028321#]**, if you are out of Rwanda, send your contribution via Mobile Money to **[+250784011415]** or contact our office at **[rabagiranaministries@gmail.com / +250783089655 (WhatsApp)]** for further assistance or in-person donations.

Remember, no act of kindness is too small. Your donation, regardless of the amount, will make a significant difference in the lives of our fellow community members. By coming together, we can ensure that everyone has access to the healthcare they deserve.
